

## BOOK SAVERS™ BOOK COVER INSTRUCTIONS

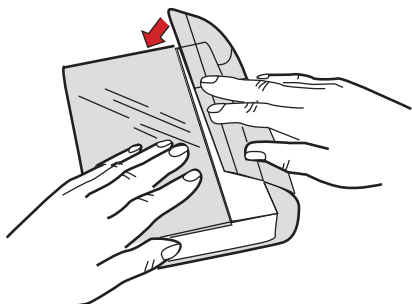

**STEP 1** - Slip front cover (of closed book) backwards into the front pocket while holding Book Saver in place on table.

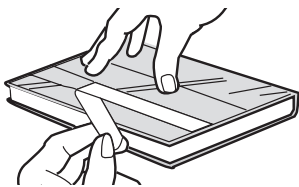

**STEP 2** - Crease cover along break-away score line and separate back pocket in a brisk pull from the top.

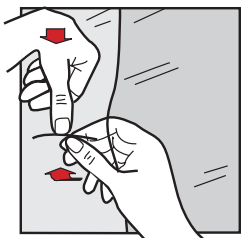

**STEP 3** - Slip back cover of book into back pocket by feeding it in evenly with thumbs...or by sliding it in as in Step 1.

**STEP 4** - Wrap adhesive end portion snugly around spine of (closed) book.

**STEP 5** - Pull out adhesive liner strip while holding overlaying end in place.

**STEP 6** - (Optional) To open card pockets push thumbnail (thumbs down) into center of convex groove. Grasp pocket directly below thumb and lift up.
